### NEWS RELEASE

#### LUCARA BRINGS IN US \$38.7 MILLION FROM ITS SECOND EXCEPTIONAL STONE TENDER OF 2016

**November 16, 2016 (LUC – TSX, LUC – BSE, LUC – Nasdaq Stockholm) Lucara Diamond Corp.** (“Lucara” or the “Company”) is pleased to announce excellent results from its second Exceptional Stone Tender of 2016. This tender of Karowe diamonds consisted of 12 single stone lots. All 12 diamonds, totaling 1,098 carats, were sold for gross revenues of US \$38.70 million (US \$35,230 per carat).

#### Highlights:

- 5 diamonds sold for more than US \$2.0 million each.
- Lot 1001, the 224.5 carat Type IIa diamond sold for US \$11.11 million (US \$49,497/ct), which was also the highest value per carat diamond.
- Lot 1004, the 162.3 carat diamond sold for US \$4.88 million (US \$30,117/ct)
- Lot 1005, the 81.8 carat diamond sold for the second highest price per carat of US \$46,138/ct.

William Lamb, President and CEO, commented, "It is fitting that this tender, the tenth Exceptional Stone Tender for the Company was concluded on the one year anniversary of the recovery of the historic 1,109 carat, Lesedi La Rona diamond.

To date, the Company has sold 144 magnificent diamonds bringing in revenues of greater than US \$460 million. This includes 143 diamonds sold through the exceptional stone tender process and also the beautiful 813 carat Constellation diamond which was sold in a private transaction. These ongoing excellent results demonstrate the sustainability of production and the continued strong demand for Karowe's high value diamonds."

For the brochure and images of the diamonds sold in this and previous Exceptional Stone Tenders, please visit the Lucara website at [www.lucaradiamond.com](http://www.lucaradiamond.com).

On behalf of the Board,

William Lamb  
President and CEO

## **About Lucara**

Lucara is a well positioned diamond producer. The Company has an experienced board and management team with extensive diamond development and operations expertise. The Company's main producing asset is the 100% owned Karowe Mine in Botswana. The Company also conducts exploration activities and holds two precious stone prospecting licenses close to its Karowe mine.

The information in this release is accurate at the time of distribution but may be superseded or qualified by subsequent news releases.

The information in this release is subject to the disclosure requirements of Lucara Diamond Corp. under the EU Market Abuse Regulation and the Securities Markets Act. This information was submitted for public release by the above person(s) on November 16, 2016 at 2:30 p.m. Pacific Time.

## **CAUTIONARY NOTE REGARDING FORWARD LOOKING STATEMENTS**

Certain of the statements made and contained herein and elsewhere constitute forward-looking statements as defined in applicable securities laws. Generally, these forward-looking statements can be identified by the use of forward-looking terminology such as "expects", "anticipates", "believes", "intends", "estimates", "potential", "possible" and similar expressions, or statements that events, conditions or results "will", "may", "could" or "should" occur or achieved.

Forward looking statements are based on the opinions and estimates of management as of the date such statements are made, and they are subject to a number of known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievement expressed or implied by such forward-looking statements. The Company believes that expectations reflected in this forward-looking information are reasonable but no assurance can be given that these expectations will prove to be correct and such forward-looking information included herein should not be unduly relied upon. In particular, this release may contain forward looking information pertaining to the following: the estimates of the Company's mineral reserves and resources; estimates of the Company's production and sales volumes for the Karowe Mine; estimated costs for capital expenditures related to the Karowe Mine, start-up, exploration and development plans and objectives, production costs, exploration and development expenditures and reclamation costs; expectation of diamond price and changes to foreign currency exchange rate; expectations regarding the need to raise capital; possible impacts of disputes or litigation and other risks and uncertainties describe under "Risks and Uncertainties" as disclosed in the Company's most recent Annual Information Form.

There can be no assurance that such statements will prove to be accurate, as the Company's results and future events could differ materially from those anticipated in this forward-looking information as a result of those factors discussed in or referred to under the heading "Risk and Uncertainties" in the

Company's most recent Annual Information Form available at <http://www.sedar.com>, as well as changes in general business and economic conditions, changes in interest and foreign currency rates, the supply and demand for, deliveries of and the level and volatility of prices of rough diamonds, costs and availability of power and diesel, acts of foreign governments and the outcome of legal proceedings, inaccurate geological and recoverability assumptions (including with respect to the size, grade and recoverability of mineral reserves and resources), and unanticipated operational difficulties (including failure of plant, equipment or processes to operate in accordance with specifications or expectations, cost escalations, unavailability of materials and equipment, government action or delays in the receipt of government approvals, industrial disturbances or other job actions, adverse weather conditions, and unanticipated events relating to health safety and environmental matters).

Accordingly, readers are cautioned not to place undue reliance on these forward-looking statements which speak only as of the date the statements were made, and the Company does not assume any obligations to update or revise them to reflect new events or circumstances, except as required by law.
